

## **Emma SAN SEGUNDO RIESCO – Resource Mobilization, Monitoring and Evaluation Coordinator at CARE Morocco**

Ms. San Segundo Riesco has held the post of Resource Mobilisation, Monitoring and evaluation coordinator of CARE Morocco since May 2013. She identifies funding opportunities in line with CARE Maroc's strategic priorities and fundraising strategy, prepares technical and financial proposals for institutional and private donors, develops relations with partners and potential donors, supports the launch phase of projects and the development of monitoring and evaluation systems.

She has 13 years of experience working in different countries (Morocco, Uganda, Kenya, Equatorial Guinea and the United States) with CARE, the World Bank, the UN WFP, UNDP and the Red Cross. Her areas of expertise include strategic development, programme implementation, humanitarian operations, resource mobilisation, and monitoring and evaluation.

She holds a Master's degree in Public Administration from Columbia University (USA), a Bachelor of Arts in Management Studies from the University of Leeds (UK) and a Master's degree in Administration and management from Universidad Complutense (Spain).

1. Background: I attached my bio
2. Role of the team members: I joined the team – Scale X Design of CARE Maroc in order to bring my expertise in education, project development and resource mobilization. The focus of my role in the team will be assisting the team in structuring the proposal from a technical and financial perspective and map potential donors who could fund it
3. Accommodations for the participants: I don't need any particular assistance
